IT IS UNDERSTOOD AND AGREED that this permit is granted upon the following terms:

1. The permit holder undersigned hereby covenants and agrees to save the city harmless from all cost including defense cost, by reason of the activities carried out under this permit, to keep all obstructions and displays fully and properly guarded, lighted and protected at all times.
2. Permittee will not obstruct fire or pedestrian lanes, or doorways to buildings.
3. At the conclusion of this activity the permittee will remove all equipment and litter generated by the activity.
4. No poster, sign or flyer will be attached to any tree, pole, post or other street furniture on the Commons or adjacent areas.
5. If it is necessary for vehicles to operate on the Commons, a flagman must be present to protect pedestrians.
6. Precautionary measures must be taken to prevent staining the concrete or brick pavement with oil, transmission fluid or other fluids.
7. Vehicles may not stand unattended in fire lanes.
8. The permittee will be responsible for cleaning and repairing any damage or staining caused by the permittee's activities. Failure to comply with this provision shall result in the city's taking necessary action to restore the Commons to its prior condition. In such case, the city shall bill the permittee for the cost of such repairing and/or cleaning.
9. In circumstances where exceptional cost for cleaning or repairs are anticipated by the Superintendent of Public Works, a performance bond will be required.
10. This permit is subject to all related rules and regulations of the city, to the same extent as if herein written in full.
