

# THE TOMPKINS-CORTLAND JOINT LABOR COALITION

## An Invitation to City of Ithaca Representatives and County of Tompkins Representatives and Local Labor Leaders.....

The Tompkins-Cortland Joint Labor Coalition, which represents twenty-six unions with over 7000 members, invites you to attend an informational meeting and informal get-together at 701 West State Street, Ithaca at 7:30 P.M. on November 13, 1984.

We believe it is vital that elected officials, from all political parties and persuasions, have the opportunity to sit down with local labor leaders in a relaxed atmosphere to share views and information.

- Agenda: 1. Introduction to the Labor Coalition  
2. Views and suggestions of labor  
3. Views and suggestions of City and County

Some subjects which are almost certain to come up are: current negotiations between the Ithaca Teachers Asso. and the School Board, workers grievances at Clever Hans Bakery, the recent settlement between the Machinist Union and Emerson Electronics, and labor relations at Cornell University.

Coffee and cookies will be served.
