RESOLUTIONS PASSED IN SUPPORT OF CSEA AND ITHACARE WORKERS

The Labor Coalition passed two resolutions in March. One is to oppose the county's plan to move the Department of Social Service out to West hill. This move is opposed by the social service workers (CSEA 855) for reasons outlined in the enclosed flyer. CSEA has also brought to light the fact that the county intends to use public works employees and CSEA members to do the renovation work on the old hospital building. This is opposed by the local building trades workers. CSEA is asking for impact negotiations with the county if the move does do through.

The second resolution was in support of the organizing drive by the UAW at Ithacare. Shortly after, the regional labor relations board ruled in favor of immediate elections despite management's attempt to stall them for 3 years! An election victory similar to the Ramada vote is hoped for.
